可持续发展

Sustainable development

作为一家跨国律师事务所，我们深知自己的社会责任。对 Maiwald 来说，可持续的商业实践是企业的核心价值观之一。我们以多种方式展现我们的社会和生态承诺，并将资源保护作为重中之重。我们力求在公司内部实现公平，鼓励在工作中采取环保做法，并支持员工参与公司之外的社会公益事业。

As an internationally operating law firm, we are aware of our social responsibility. For Maiwald, sustainable business practice is a core corporate value. We demonstrate our social and ecological commitment in many ways, resource conservation being a high priority. We strive for fairness within the company, encourage environmentally friendly work practices and support employees' commitment to social causes outside the company.

社会责任

对我们来说，社会责任也意味着对我们自己的“人力资源”进行人性化且负责任的管理。我们的工作场所轻松友好，处处体现着开放、合作与相互尊重的氛围。在公司之外，我们也以不同方式来展现我们的社会承诺。例如，我们定期向慈善组织捐款，支持难民援助举措。

Social responsibility

For us, social responsibility also means sensitive and responsible management of our own „human resources“. Our workplace is relaxed and informal, characterized by an atmosphere of openness, mutual respect and collegiality. But also outside the office environment, our social commitment finds expression in different ways; for example we regularly donate to charitable organizations and support initiatives providing help for refugees.

因多元化而成功

我们深信，丰富的员工多样性是我们取得成功的重要因素。我们发现，来自不同国家、文化和宗教背景、生活方式极为不同的人可以平等、和谐地共事。性别平等也在实际中有所体现，例如，管理层中较高的女性比例。

Success through diversity

We are in no doubt that the rich diversity of our workforce is an important factor in our success. We have found that people from many countries with different cultural and religious backgrounds and with the most varied lifestyles can work together harmoniously as equals. Practical gender equality is reflected, for example, in the high proportion of women at management level.

生态承诺

环境保护对我们来说尤为重要，因此我们已将所有的内部办公流程和办公程序数字化，并且只使用电子文件。我们推出了多种举措，鼓励员工使用气候友好型交通方式，同时还支持他们参与公司以外的生态项目。

Ecological commitment

Because environmental protection is particularly important to us, we have digitized all internal office processes and procedures and work exclusively with e-files. We have introduced various initiatives to encourage our employees to use climate-friendly modes of transport, and we also support their participation in ecological projects outside the company.

我们的承诺:

Maiwald 以 17 项联合国可持续发展目标为指导, 致力于使世界在诸多领域都变得更加美好。

Our social commitment:

Maiwald is committed to the 17 goals of the United Nations Agenda for Sustainable Development adopted in 2015 (Agenda 2030). In many different areas we are proactive in making the world a better place.

健康和福祉

我们提倡工作与生活的良好平衡, 以此促进员工的心理健康; 我们开展各种健身活动, 提升员工的身体素质。此外, 我们还在工作场所提供免费水果。

Health and well-being

We foster our employees' mental health by facilitating good work-life balance, and their physical health by supporting various fitness activities and - to give another example - by providing free fruit at the workplace.

和平、正义与强大机构

我们支持人道主义项目, 为维护社会和平与社会和谐做出积极贡献。

Peace, justice and strong institutions

Through our support for humanitarian projects, we make a positive contribution to a peaceful society and to social harmony.

先进的教育和培训

公司为员工提供大量培训和发展机会(包括研讨会和语言课程)。在社会上,我们经常向各种教育机构捐款(例如,读书项目 Stiftung Lesen)。

Advanced education and training

We offer our employees numerous training and development opportunities at the office (including seminars and language courses). In wider society, we routinely donate to various educational institutions (e.g. Stiftung Lesen, a reading initiative).

性别平等

我们非常重视男女员工比例的平衡,从初级员工到管理层。同工同酬也是我们关注的重中之重。

Gender equality

We place great emphasis on a balanced male/female employee ratio from junior to management level. Equal pay is also high on our list of priorities.

体面的工作条件和收入增长

员工的家庭也是我们考虑的重点,为此我们提供灵活的工作时间和兼职工作模式,同时还支持团队合作和任务分担。

Decent working conditions and economic growth

Our employees' family concerns are taken very much into account with flexible working hours and part-time working models, but also teamwork and task sharing.

气候保护措施

我们在工作中只使用电子文件,大大减少纸张消耗。此外,我们还倡导自行车出行,并为使用公共交通工具的人员提供交通补贴,以此来促进环境保护。

Climate protection measures

We work exclusively with e-files, thereby drastically reducing paper consumption. We also help protect the environment by supporting bike actions and providing travel cost subsidies for those using public transport.

Maiwald 的专家们兼备确保项目成功所需的所有技能:完善的法律与商业知识,以及诸多行业的技术与科学知识。我们的专业人员能够实时了解所有技术分支的最新发展,包括工程、人工智能、电动汽车、信息技术以及制药和生物技术。您尽管放心,我们的专家们拥有专业知识和行业实践知识,会为您提供最好、最全面的知识产权战略建议和指导。

Exceptionally high level of expertise

The experts at Maiwald combine all the skills needed to ensure the success of your project: sound legal and business knowledge and technical and scientific know-how across a broad spectrum of industries. Our professionals have up-to-the-minute access to current developments in all branches of technology, including engineering, artificial intelligence, e-mobility, information technology and pharma & biotech. You can rest assured that you will receive the very best advice and guidance on all aspects of IP strategy from professionals possessing expertise and practical industry knowledge.

多学科团队

为确保取得最佳成果,我们特别注重根据您的项目安排能够胜任这一特定任务的专门人员组成专业团队。我们的多学科方法为创造性和跳出传统框架的思维提供空间,因此我们能够跨学科工作,探讨从不同角度解决问题的方式方法。我们相信,多元化的团队构成也是我们能够取得成功的一个决定性因素;经验表明,具有不同文化和宗教背景、不同年龄结构和不同生活方式的人们在面对挑战时会有不同的看法,并且往往能够提出比同质团队更成功、更可持续的解决方案。不仅是我们的事务所,我们的国际客户也从中受益匪浅。

Multidisciplinary Teams

To ensure the best possible outcomes, it is crucially important to us that the team of professionals assembled to handle your project is composed of individuals specifically qualified for the particular task at hand. Our multidisciplinary approach provides room for creative and outside-the-box thinking and allows us to work across disciplines and to consider methods and approaches for attacking problems from different angles. We believe that the diverse makeup of our teams is also a decisive factor in our success; experience has shown that people with different cultural and religious backgrounds, of mixed age structures and different lifestyles view challenges differently and frequently come up with more successful and sustainable solutions than would a homogeneous team. This of course works to the benefit of our firm as well as our international clientele.

个性化服务每一位客户

您与您的知识产权需求是我们工作的重点。因此，我们的专业方法完全建立在以客户为导向并提供个性化咨询的基础上。我们有大约 110 名高级资质专利代理人 and 律师，还有一个内部专利检索部门以及众多的客户特定助理团队，可随时为您提供服务。这些团队充满热忱与活力，不断运用他们的技能为客户解决一个个知识产权问题。客户与我们双方都会从合作中受益。这一点，从诸多客户与我们的长期合作，以及他们对我们的认可中便可看出。

Individual attention to each client

You and your IP concerns are the focus of our work. This is why client-oriented and personal consultation form the whole basis of our professional approach. Our teams comprising 110 highly qualified patent attorneys, attorneys-at-law and technical experts, including search specialists, devote their extensive skills and experience to providing clients with optimal customized IP solutions on a daily basis. Teams of paralegals with client-specific competencies address individual administrative needs. Day by day these dynamic teams apply their skills to solving your IP problems. Both sides gain from the cooperation, as is evidenced by the many long-standing business relationships with satisfied clients.
